

How do I become a member?

SAMAC membership is open to anyone interested in macadamias worldwide.

Within South Africa the following rates are applicable:

Non-grower members pay an annual membership fee of R1000.00 [VAT incl] per annum. Grower members pay an initial joining fee of R1000.00 [VAT incl] and thereafter contribute to SAMAC by way of production levies

Anyone resident outside South Africa can become a SAMAC member at the international membership rate of US\$250.00 per annum.

All SAMAC members receive the monthly 'In a Nutshell' newsletter and the annual SAMAC Yearbook. To join, contact Kate at the Subtrop office or simply complete the application on this website and fax to Kate at +27 (15) 307 6792.
